

# PETE OLSON AND PJ BUILDERS WAS NAMED PARK CITY'S BEST CONTRACTOR FOR 2016!

An excerpt from the Park City's Best Contractor award nomination:

"Pete Olson is a builder that people trust," says Ron Kammer. Olson has just finished a 4,700 square foot Promontory vacation home and Ron and his wife Karen, have just moved in. They couldn't be more please. "Pete came in at the design stage," says Ron, a Miami attorney. "And he is a perfectionist, just like we are. He took a vision for a house, and turned it into a home." Though thousands of miles away, they were in constant communication every step, and when Olson made a recommendation, the Kammers knew that he would make the right choice and trusted his judgement. "When people care, it shows," says Ron.

For the past 20 years, Olson and PJ Builders have created new masterpieces like the Kammer home as well as restored life to old historic structures in Park City. "We have the ability and experience to keep the building's historic aesthetics intact, while blending the structure with modern technologies and amenities," says Pete. "We can get your home ready for the next 100 years."

This is a huge honor and we owe our thanks to our amazing clients and building partners who helped us truly become Park City's best contractor.
