Our success lies first and foremost in developing relationships with our clients, vendors and trade partners, both past and present. It also grows through our commitment to excel in all areas of custom home building and design, as well as our vast experience in the residential building industry. Whether you're starting with a blank canvas or redesigning a home where you have lived for many years, PJ Builders is dedicated to creating a beautiful environment for you, your family, and your lifestyle. With over 20 years of building experience, we transform your ideas, dreams, and concepts into tangible reality. Our passion for construction and collaboration has allowed us to hone our craft in Park City, Utah, to provide stunning spaces that stand the test of time.

“Pete and his team at PJ Builders were creative, resourceful, respectful of the budget, and exceeded our quality expectations. As the project grew substantially in scope, the PJ team was adaptable and innovative in problem solving. PJ’s attention to detail and insistence on quality over the entire project was clear from beginning to end.”
